

STONE BAY SCHOOL - INTERESTED IN HELPING THE SCHOOL TO BECOME THE BEST IT CAN BE?

We are looking for enthusiastic individuals to join the governing board. We meet termly, and work closely with the Headteacher in support of the school's long term goals.

Governors are responsible for:

- developing a vision and strategy for the school
- overseeing the financial performance of the school and making sure its money is well spent
- holding the school leader to account to ensure that every pupil has the best possible education
- engaging with pupils, staff, parents and the school community to understand their views

Activities include:

- looking at information and evidence on the school's progress and discussing with school leaders; and
- visiting the school to see plans working in practice, and listening to the views of staff, pupils and parents.
