

Summary for children and young people

Name: Stone Bay School

URN: SC023693

Dates of inspection: 9 and 10 December 2025

Dear Pupils

I really enjoyed coming to see how you are getting on at Stone Bay School. It was nice to spend time with you all and to hear about all of the things that you have been doing. It was great to spend some time with you in the residential flats and hear about all of the preparations for Christmas.

It was also great to hear about how hard you are all working at school and the amazing successes that you are having.

I heard from Jane, Lucy and Mireille about how well you are all doing and how much progress you are all making - well done!

I think that the school is outstanding in the way that staff care for you. I can see that staff are really helping you to achieve all that you can.

Wishing you the very best for the future.

Mark

Ofsted social care inspector
