The School Information (England) Regulations 2008 (as amended).

Review Cycle: Annual

Next Review: July 2022

Lead Staff: Headteacher

Chair of Governing Body: Diarmuid Molloy

Headteacher: Paula Miller

Mission Statement

We accept all students **as they are** and believe that every one of them is **entitled** to the very **best education**, delivered in an **environment** that is **supportive, caring and safe**.

Our goal is to develop our students to become:

- **Successful** Learners.
- As **independent** as possible.
- **Confident** individuals and self-advocates.
- **Effective** communicators and **contributors**.
- **Responsible** citizens.

We will do this by working to **ensure we get every aspect of their provision just right**, helping them to achieve academically, personally, socially and morally.

Stone Bay School: ***“getting it right for every student”***.

Rights Respecting Schools

The Unicef UK Rights Respecting School Award (RRSA) is based on principles of equality, dignity, respect, non-discrimination and participation. The RRSA seeks to put the UN Convention on the Rights of the Child at the heart of a school's ethos and culture to improve well-being and develop every child's talents and abilities to their full potential. A Rights Respecting School is a community where children's rights are learned, taught, practised, respected, protected and promoted.

Stone Bay has achieved Silver Level and is a Rights Aware School.

This policy is written with reference to

Article 2 (non-discrimination) The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, language, abilities or any other status, whatever they think or say, whatever their family background.

Rationale

The purpose of this policy is to ensure that all pupils have full and free access to a broad and balanced curriculum and sets out the charges and remissions for activities. Stone Bay School recognises the contribution that a wide range of additional activities, including clubs and visits, can have on a students' personal and social development. Our aim is to provide such opportunities for our students.

The school day is defined as 9.00am – 3.30pm.

Residential hours are defined as 3.30pm – 9am the following day

Admissions

There is no charge for admissions.

School Meals

There is no charge for students who are entitled to free school meals or to our residential students. Pupils who are not entitled to free school meals must pay a fee of £2.30 per meal (as at September 2021).

Examinations and Accreditation

There is no charge for examinations or accreditation schemes delivered as part of the school curriculum or within residential hours for our residential students.

Charges for Activities

In all cases, should there be any cost they will be made clear to parents before an activity takes place.

There is no charge for activities that take place during school hours when they are:

- part of the set curriculum
- part of the syllabus for a public examination that the student is being prepared for by the school

We may however charge for:

- books and materials that the parent wishes the child to keep
- optional extras
- music or vocal tuition

Should parents request additional activities, which are not part of the school's normal curriculum e.g. specific music tuition, a charge may be incurred.

Pocket Money

As agreed pre-admission, all parents are asked to contribute to weekly pocket money for their child. This will be used to fund/part fund:

- Off-site activities which are not part of the set curriculum
- Refreshments outside of normal meals, e.g. confectionary during off-site activities
- Personal items, e.g. magazines

The current requested amounts are; £2 per week for day pupils and £10 per week for residential pupils

All pocket money will be paid into the School Bank account and be distributed to each residential area and/or classroom. Records of expenditure for each student will be kept and are available for parents to see at any time. Statements of pocket money are sent to parents regularly. Parents are expected to ensure that their child's account is kept in credit.

Activities that take place outside of school hours (residential)

There is no charge for activities that take place outside of school hours when they are:

- part of the set curriculum
- part of the syllabus for a public examination that the student is being prepared for by the school

Optional Extras

The school may charge for optional extras. Optional extras are:

- education provided outside of school time that is **not**:
 - a) part of the school curriculum
 - b) part of a syllabus for a prescribed public examination that the student is being prepared for at the school
- examination entry fee(s) if the registered student has not been prepared for the examination(s) at the school
- transport that is not taking the student to school or to other premises where the local authority or governing body has arranged for the student to be provided with education.
- board and lodging for a student on a residential visit.

Charging for Optional Extras

The Headteacher will decide when it is necessary to charge for optional activities.

Any charge made in respect of individual pupils will not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating. In no circumstances will there be an element of subsidy required from other parents for any

pupils participating in the activity whose own parents are unwilling or unable to pay the full charge.

When calculating the cost of optional extras an amount may be included in relation to:

- any materials, books, instruments, or equipment provided in connection with the optional extra
- non-teaching staff
- teaching staff engaged under contracts for services purely to provide an optional extra, including supply teachers, engaged specifically to provide the optional extra
- the cost, or a proportion of the cost, for teaching staff employed to provide tuition in playing a musical instrument, where the tuition is an optional extra

Participation in any optional extra activity will be on the basis of parental choice and a willingness to pay the charges. The school will need to have the agreement of parents before organising the provision of an optional extra where charges will be made.

Residential Activities

The school will not charge for:

- education provided on any visit that takes place outside school hours if it is part of the school curriculum, or part of a syllabus for a prescribed public examination
- supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit
- travel costs where the residential activity is classed as being within school hours
- residential activities that take place during school hours.

The school may charge for board and lodging when a visit has been organised by the school where there may be a cost for board and lodging, parents will be informed in order to decide whether their child can participate prior to the visit taking place. We will charge anything up to the full cost of board and lodging on residential visits. The charge will not exceed the actual cost. Parents who can prove they are in receipt of certain benefits may be exempt from paying this cost.

Travel

There is no charge for transport during school hours to school-organised activities. Travel charges may apply when a residential activity takes place outside of school hours. The amount charged will be calculated to cover the unit cost per student. These charges may not apply to those pupils entitled to remissions, but no other students will be charged extra to cover those costs.

Music Tuition during school hours

Stone Bay School follows government legislation that states that all education provided during school hours must be free. However, music lessons are an exception to this rule.

Charges will be made if the teaching is not an essential part of either the National Curriculum or a public examination syllabus being followed by the student(s).

The school may charge for teaching requested by parents and delivered by specialist tutors given to either an individual pupil or groups of any appropriate size (provided that the size of the group is based on sound principles) to play a musical instrument. The cost of these lessons may depend on the size and duration of the class as well as the type of instrument. The school will not charge if the music tuition is part of the National Curriculum or public examination syllabus being followed by the student. This includes instruments, music books and exam fees.

Stone Bay School is dedicated to ensuring equal opportunities for all pupils including access to specialised music tuition, therefore charges made for music tuition within school hours will be remitted for students on free school meals.

There is no charge for vocal or instrumental tuition for students in care. This includes instruments, music books and exam fees.

Damage to Property and breakages

Where school property has been wilfully damaged by a pupil, on rare occasions the school may request a contribution from parents of those responsible for some of the cost of repair or replacement. This cost will usually be minimal and is intended to illustrate to pupils that such acts have consequences.

Where property belonging to a third party has been damaged by a pupil and the school has been charged, the school may charge some or all of the cost to those responsible.

Whether or not these charges will be made will be decided by the Headteacher and will be dependent on the situation.

Remissions and concessions

The school will give consideration to the remission of charges to parents or carers who receive the following support payments:

- Income Support
- Universal Credit
- Job-seekers Allowance
- Child Tax Credit
- Support under part VI of the Immigration and Asylum Act 1999
- Guaranteed Element of State Pension Credit.

Pupils from families who receive these payments are also entitled to free school meals.

Parents who are eligible for the remission of charges will be dealt with confidentially.

The Headteacher and Chair of Governors will authorise the remission of charges.

The school may choose to subsidise part or all of the payment of some charges for certain activities and students, and this will be determined by the Governing Body and Headteacher.

Voluntary Contributions

The school, school Governing Body, or Local Authority may ask for voluntary contributions to fund activities that will enrich our students' education.

In any case where an activity cannot be afforded without voluntary funding, this will be made clear to the parents by the school. If the activity is cancelled all monies paid will be returned to parents.

There is no obligation for a parent or carer to make any contribution and the school will in no way pressure parents to contribute.

Inability or unwillingness to pay

Stone Bay School is committed to ensuring fair access and treatment of all students, and this means ensuring that no child is excluded from an activity because the parents or carers of that child are unwilling or unable to pay. If there is insufficient funding for an activity, then it will be cancelled.

The identity of the child or parents of the child who did not want to make the payment, or could not make the payment, will not be disclosed under any circumstances.

Safeguarding, Equality and Equal Opportunities Statement

Stone Bay School, and all policies and procedures, will promote equality of opportunity for all students and staff from all social, cultural and economic backgrounds. The school will ensure that no student or staff member is disadvantaged, discriminated against or treated less favourably because of their gender (including gender reassignment), race, disability, religion or belief, sexual orientation or due to pregnancy or maternity.

Stone Bay School aims to;

- Foster good relationships and create effective partnerships with all sections of the community
- Ensure that the school's service delivery, commissioning and employment practices will not discriminate unlawfully, either directly or indirectly
- Provide an environment free from fear and discrimination, where diversity, respect and dignity are valued and celebrated

All aspects of Safeguarding will be embedded into school life and will remain the responsibility of all members of our school community.
