Staff Acceptable Use of Technology Policy

As a professional organisation with responsibility for safeguarding, all members of staff are expected to use Stone Bay School IT systems in a professional, lawful, and ethical manner. To ensure that members of staff understand their professional responsibilities when using technology and provide appropriate curriculum opportunities for learners, they are asked to read and sign the staff Acceptable Use of Technology Policy (AUP).

Our AUP is not intended to unduly limit the ways in which members of staff teach or use technology professionally, or indeed how they use the internet personally, however the AUP will help ensure that all staff understand Stone Bay School expectations regarding safe and responsible technology use, and can manage the potential risks posed. The AUP will also help to ensure that Stone Bay School systems are protected from any accidental or deliberate misuse which could put the safety and security of our systems or members of the community at risk.

Policy Scope

1. I understand that this AUP applies to my use of technology systems and services provided to me or accessed as part of my role within Stone Bay School both professionally and personally. This may include use of laptops, mobile phones, tablets, digital cameras and email as well as IT networks, data and data storage and online and offline communication technologies.
2. I understand that Stone Bay School Acceptable Use of Technology Policy (AUP) should be read and followed in line with school Staff Behaviour Policy.
3. I am aware that this AUP does not provide an exhaustive list; all staff should ensure that technology use is consistent with Stone Bay School ethos, staff behaviour and safeguarding policies, national and local education and child protection guidance, and the law.

Use of Stone Bay School Devices and Systems

4. I will only use the equipment, internet services and logins provided to me by Stone Bay School. For example, schools provided laptops, tablets, mobile phones and internet access, when working with learners or on school business.
5. School emails may be used on personal equipment provided, it is in strict accordance with Stone Bay School's email guidelines. These are:

- o Student details should be made anonymous. For example, use initials rather than a full name.
 - o Content of emails may **not** be downloaded/copied onto any personal equipment or forwarded to personal email accounts.
 - o Signing up for websites that are suspect, either for legal or ethical reasons is prohibited.
 - o Sending out insulting, hateful, or controversial messages or content that may hurt other people is prohibited.
 - o Sending unsolicited emails to other people including colleagues, in a manner that would arouse offence is prohibited.
6. I understand that any equipment and internet services provided by my workplace are intended for educational use and should only be accessed by members of staff. Reasonable personal use of setting IT systems and/or devices by staff is allowed within the AUP guidelines.

Data and System Security

7. To prevent unauthorised access to systems or personal data, I will not leave any information system unattended without first logging out or securing/locking access.
- o I will use a 'strong' password to access Stone Bay School systems. ***A strong password has numbers, letters and symbols, with 8 or more characters, does not contain a dictionary word and is only used on one system.***
 - o I will protect the devices in my care from unapproved access or theft and will on no account leave devices visible or unsupervised in public places.
 - o I will not save sensitive, personal or any student information onto unsecured removable storage devices. These include portable USB-based memory sticks, also known as flash drives, or thumb drives; Memory cards in SD, CompactFlash, or any related flash-based supplemental storage media.
8. I will respect Stone Bay School system security and will not disclose my password or security information to others.
9. I will not open any hyperlinks or attachments in emails unless they are from a known and trusted source. If I have any concerns about email content sent to me, I will report them to the IT system manager.

10. I will not attempt to install any personally purchased or downloaded software, including browser toolbars, or hardware without permission from the IT system manager.
11. I will ensure that any personal data is kept in accordance with the Data Protection legislation, including GDPR in line with Stone Bay School information security policies.
 - o All personal data will be obtained and processed fairly and lawfully, only kept for specific purposes, held no longer than necessary and will be kept private and secure with appropriate security measures in place, whether used in the workplace, hosted online or accessed remotely.
12. I will not keep documents which contain Stone Bay School related sensitive or personal information, including images, files and videos, on any personal devices, such as laptops, removable storage devices, digital cameras, and mobile phones. Where possible, I will use Stone Bay School learning platform to upload any work documents and files in a password protected environment or Stone Bay School approved/provided VPN.
13. I will not store any personal information on Stone Bay School IT system, including school laptops or similar device issued to members of staff that is unrelated to school activities, such as personal photographs, files or financial information.
14. I will ensure that Stone Bay School owned information systems are used lawfully and appropriately. I understand that the Computer Misuse Act 1990 makes the following criminal offences: to gain unauthorised access to computer material; to gain unauthorised access to computer material with intent to commit or facilitate commission of further offences or to modify computer material without authorisation.
15. I will not attempt to bypass any filtering and/or security systems put in place by the Stone Bay School
16. If I suspect a computer or system has been damaged or affected by a virus or other malware, I will report this to the IT Manager as soon as possible.
17. If I have lost any Stone Bay School related devices, documents or files, I will report this to the ICT Manager and school/setting Data Protection Officer as soon as possible.
18. Any images or videos of learners will only be used as stated in the Stone Bay School camera and image use policy.
 - o I understand images of learners must always be appropriate and should only be taken with Stone Bay School provided equipment and

taken/published where learners and their parent/carer have given explicit consent.

Classroom Practice

19. I am aware of safe technology use in the classroom and other working spaces, including appropriate supervision of learners, as outlined in the school online safety policy.
20. I have read and understood the Stone Bay School online safety policy which covers expectations for learners regarding mobile technology and social media.
21. I will promote online safety with the learners in my care and will help them to develop a responsible attitude to safety online, system use and to the content they access or create by:
 - o exploring online safety principles as part of an embedded and progressive curriculum and reinforcing safe behaviour whenever technology is used on site.
 - o creating a safe environment where learners feel comfortable to say what they feel, without fear of getting into trouble and/or be judged for talking about something which happened to them online.
 - o involving the Designated Safeguarding Lead (DSL) Martyn Nash or a deputy as part of planning online safety lessons or activities to ensure support is in place for any learners who may be impacted by the content.
 - o make informed decisions to ensure any online safety resources used with learners is appropriate.
22. I will report any filtering breaches (such as access to illegal, inappropriate or harmful material) to the DSL in line with the Stone Bay School online safety and child protection policy.
23. I will respect copyright and intellectual property rights; I will obtain appropriate permission to use content, and if videos, images, text or music are protected, I will not copy, share or distribute or use them.

Use of Social Media and Mobile Technology

24. I have read and understood the Stone Bay School online safety policy which covers expectations regarding staff use of mobile technology and social media.
25. I will ensure that my online reputation and use of IT and information systems are compatible with my professional role and in line with the Staff Behaviour Policy when using Stone Bay School and personal systems. This includes my use of email, text, social media and any other personal devices or mobile technology.

- o I will take appropriate steps to protect myself online when using social media as outlined in the Online Safety Policy
 - o I am aware of Stone Bay School expectations with regards to use of personal devices and mobile technology, including mobile phones as outlined in the Online Safety Policy
 - o I will not discuss or share data or information relating to learners, staff, Stone Bay School business or parents/carers on social media.
 - o I will ensure that my use of technology and the internet does not undermine my professional role or interfere with my work duties and is in accordance with the Stone Bay Staff Behaviour Policy and the law.
26. My electronic communications with current and past learners and parents/carers will be transparent and open to scrutiny and will only take place within clear and explicit professional boundaries.
- o I will ensure that all electronic communications take place in a professional manner via Stone Bay School approved and/or provided communication channels, such as a school email address or telephone number.
 - o I will not share any personal contact information or details with learners, such as my personal email address or phone number.
 - o I will not add or accept friend requests or communications on personal social media with current or past learners and/or parents/carers.
 - o If I am approached online by a learner or parents/carer, I will not respond and will report the communication to my line manager and Designated Safeguarding Lead (DSL).
 - o Any pre-existing relationships or situations that compromise my ability to comply with the AUP will be discussed with the Headteacher.
27. If I have any queries or questions regarding safe and professional practise online either in school or off site, I will raise them with the Headteacher.
28. I will not upload, download or access any materials which are illegal, such as child sexual abuse images, criminally racist material, adult pornography covered by the Obscene Publications Act.
29. I will not attempt to access, create, transmit, display, publish or forward any material or content online that is inappropriate or likely to harass, cause offence, inconvenience or needless anxiety to any other person.
30. I will not engage in any online activities or behaviour that could compromise my professional responsibilities or bring the reputation of Stone Bay School into disrepute.

Policy Compliance

31. I understand that Stone Bay School may exercise its right to monitor the use of information systems, including internet access and the interception of emails, to monitor policy compliance and to ensure the safety of learners and staff. This monitoring will be proportionate and will take place in accordance with data protection, privacy and human rights legislation.

Policy Breaches or Concerns

32. I will report and record concerns about the welfare, safety or behaviour of learners or parents/carers to the DSL in line with the school Child Protection Policy.
33. I will report concerns about the welfare, safety or behaviour of staff to the Headteacher in line with the allegations against staff policy.
34. I understand that if Stone Bay School believe that unauthorised and/or inappropriate use of school systems or devices is taking place, Stone Bay School may invoke its disciplinary procedures as outlined in the Staff Behaviour Policy.
35. I understand that if Stone Bay School believe that unprofessional or inappropriate online activity, including behaviour which could bring the school into disrepute, is taking place online, Stone Bay School may invoke its disciplinary procedures as outlined in the Staff Behaviour Policy.
36. I understand that if Stone Bay School suspects criminal offences have occurred, the police will be informed.

I have read, understood and agreed to comply with Stone Bay School Staff Acceptable Use of Technology Policy when using the internet and other associated technologies, both on and off site.
